About Terra Firma

Terra Firma is a full service, publicly-traded real estate finance company that provides financings secured by investment properties and real estate developments in Canada and throughout the United States. The Company focuses on arranging and providing financing with flexible terms to real estate developers and owners who require shorter-term loans to bridge a transitional period of one to five years where they require capital at various stages of development or redevelopment of a property. These loans are typically repaid with lower cost, longer-term debt obtained from other Canadian financial institutions once the applicable transitional period is over or the redevelopment is complete, or from proceeds generated from the sale of the real estate assets. Terra Firma offers a full spectrum of real estate financing under the guidance of strict corporate governance, clarity, and transparency.
